

**THE ISCE-PORTUGAL CENTRE FOR
COOPERATION AND INTERNATIONAL
RELATIONS**

The CCRI

The CCRI is the main centre for internationalization in the ISCE's. This structure comprehends teaching, research, university extension and all the activities that the ISCE's develop to expand knowledge. Simultaneously, this centre contributes to international projection, namely in Europe, Africa, and Latin America.

CCRI ACTIONS AND PROGRAMMES

- ▶ **Promotion of students, professors, researchers, and staff mobility.**
- ▶ **Coordination and participation in projects with national and international partners.**
- ▶ **Identification and management of agreements with Higher Education institutions and organizations around the world.**
- ▶ **Active participation in the main university networks, especially in Latin America: Colombia, Peru, Brazil, as well as Europe, Africa, and Asia.**
- ▶ **Support provided to the academic community by preparing international activities, for example: FÓRUM II FIACED, Advances and Pedagogical Perspectives (UPN - Colombia).**

COMPETENCE AREAS

- **MOBILITY PROGRAMMES:**
Erasmus + Cooperation Programmes
Erasmus+
 - **COOPERATION PROGRAMMES**
Scholarships
 - **PARTNERS**
 - **ISCE Protocols with different international institutions and organizations**
 - **DEVELOPMENT COOPERATION**
- 

Bilateral and multilateral internationalization with Portuguese-speaking countries (CPLP), Angola (FAS_MAT), (ANEP)

LINES OF ACTION

- **Enhance the international projection of the ISCE's through projects and programmes in the European Union, Africa, Asia, and Latin America.**
 - **Promote exchange of knowledge experiences of the ISCE's within international scope.**
 - **Increase the mobility of students, professors and staff.**
 - **Represent the ISCE's in international forums and events.**
- 

OBJECTIVES OF THE CCRI

- 
- **Provide updated information based on academic data from national and international Higher Education Institutions.**
 - **Constitute the nucleus of the information for European academic communities, especially in what regards EU programmes of cooperation and mobility.**
 - **Provide an easier and more efficient support to professors, students, and staff in what concerns international matters.**
 - **Promote mobility programmes.**
 - **Guide and provide support to those who are interested in going abroad for academic activities.**

- 
- 
- ▶ **Help ISCE's to attain their international goals.**
 - ▶ **Seek external funding for international projects.**
 - ▶ **Ensure the reliability of the European Credit Transfer System (ECTS), regarding the students' mobility and support professors and coordinators in this area.**
